PTHC HISTORY

PTHC is a private institution founded in 2010 and was in 2015 approved to operate by the California Bureau for Private Postsecondary Education. Approval to operate does not imply that the Bureau endorses programs, or the institution exceeds minimum state standards. (CEC §94909(a)(2) and CEC §94897(1)(1)(2)). Approval to operate means compliance with state standards as set forth in the California Private Postsecondary Act of 2009 and Division 7.5 of Title 5 of the California Code of Regulations. PTHC is a technical and vocational academic institution committed to providing quality career programs that integrate theory with clinical experiences to produce and to empower students to achieve their ultimate professional goals. PTHC believes that education should enrich and motivate the student's personal growth, ethics, and dignity for lifelong success.

Pacific Times Healthcare College is owned by Pacific Times Healthcare Inc., a corporation registered by the state of California. The college's main campus is located in Corona, CA with a branch in Moreno Valley, CA. PTHC offers a variety of allied health programs that have been developed and are currently offered based on local employer needs.

PTHC MISSION STATEMENT

10

PTHC was established to provide quality affordable education to a diverse population interested in pursuing a career in the healthcare field. PTHC continues to enhance its role in vocational and technical education by developing and improving a variety of training programs and courses that are highly in demand. The administration, staff and faculty work together to provide its community with theoretical and practical skills required in today's complex healthcare job market.

PTHC Objective

The objective of PTHC is institutional stability as the foundation for a positive learning environment through providing quality education. The training outcomes have been proven to be preparation for employment through the development of entry-level skills in an identified demand occupations and student's skills equal to or greater than industry standards, enhancement of skills for career /professional development, and life-long preparation. At PTHC the course curriculum is reviewed, at least annually, for consistency with skills required in the workplace and the needs of the community PTHC serves.

(5, CCR§71810(b)(2))

PTHC PHILOSOPHY

PTHC asserts that learning is a lifelong process and each diligent graduate from any of the programs offered attains a high level of professionalism and leadership. The curriculum has been designed to easily and continually adjust to changes in demand in the job market. This allows students to receive technical training in a learning-teaching environment that incorporates both theory and hands-on learning methods to provide theoretical and practical experiences.

7 PTHC does not have a pending petition in bankruptcy, is not operating as a debtor in possession, has not filed a petition within the preceding five years, or has not had a petition in bankruptcy filed against it within the preceding five years that could have resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 1101 et seq.) (CEC §94909(a)(12))

“NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION”

15

"The transferability of credits you earn at PTHC is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn in the educational program is also at the complete discretion of the institution to which you may seek to transfer. If the credits or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending PTHC to determine if your credits or certificate will transfer."

(CEC §94909(a) (15))

Experiential Learning/Advanced Placement

18 PTHC does not offer credit for experiential learning or advanced placement. (5, CCR §71810(b)(7) and 5, CCR §71770(c))

Conduct & Appearance

PTHC students are encouraged to conduct themselves in a professional manner at all time with both their colleagues, with administration and the faculty. Students must keep in mind at all times that they are expected to reflect their professionalism all the time. Students are expected to keep their appearance “professional”. Students are expected to be in dress code per their prospective course.

Safety and Health.

PTHC strives to provide its students with a and safe environment. However, students are solely responsible for their own safety whether on campus or at clinical sites. PTHC students and all other PTHC stake holders are required to comply with the federal, state, and state and PTHC policies. PTHC will not be responsible for any student’s personal belongings that are lost, stolen, or damaged whether on campus or during any College activities. Students are encouraged to immediately report any medical, criminal, or other emergency occurring on campus to the college administration. A student may be required to provide a written report of incidents which might be viewed as a threat to the safety of the college. To report suspected illegal activities, students are advised to call either telephone number of PTHC.

PTHC does not carry Medical Health Insurance coverage for students. Students are encouraged to find their own coverage. PTHC students do not receive any compensation for internship services. Since PTHC students are not employees of either PTHC or its clinical affiliates, they are not covered by PTHC workers’ compensation. Students are responsible for all medical expenses and financial losses incurred during their learning processes.

Any PTHC student found to be under the influence of any illegal drugs/substances including alcohol will be immediately terminated from the program.

Personal Property

PTHC will assume no responsibility for any loss or damage to any student’s personal property or vehicle. PTHC takes every effort to assure that there are no missing personal items, but it is the student’s responsibility to ensure that there are no valuable personal items are left unsecured. PTHC cannot be responsible for any lost or stolen student property. Students are advised to bring only items needed for the course they are enrolled in.

Family Rights & Education Act

Educational records of students at PTHC are kept in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974 (The Buckley Amendment) and the California Student Records Act. These laws prohibit the release of student records or any other information about a student to a third party without the written consent of that student. Such authorization will be made in writing prior to any records or information being released. All inquiries for student records must be made in writing and addressed to the Enrollment Advisor of PTHC. Transcripts are kept on electronic media indefinitely and other records are kept for 5 years.

PTHC Waivers: Cancellation/Postponement

PTHC reserves the right to cancel or postpone any class or course prior to the start of class because of insufficient enrollment, unavailability of a qualified instructor or for any other circumstances beyond the control of PTHC. PTHC will not be held responsible for any expenses or any other difficulty to the student because of postponement or cancellation. Should a postponement occur, a new class would be rescheduled within not more than ninety (90) days. Should PTHC cancel a class (not postpone), the student would be refunded any collected fund within thirty (45) days from the date the class was cancelled.

CANCELLATION AND WITHDRAWAL

25 Regarding cancellation, withdrawal, and refund policies, the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. (Ed. Code §94909(a)(8)(B))

Code §94909(a)(8)(B)

Students have the right to cancel the ENROLLMENT AGREEMENT that a student signed for a program of instruction including any equipment, such as books, materials, and supplies, or any other goods and services included in the agreement. To get credit for PTHC shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit for application and registration fee not to exceed two hundred fifty dollars (\$250) including any non-returnable items, if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later.

§94920(b) Cancellation shall occur when a student gives a written NOTICE OF CANCELLATION at the address of the school shown on the top of the front page of the ENROLLMENT AGREEMENT. Students can do this by mail, hand delivery, or email. The written NOTICE OF CANCELLATION, if sent by mail, is effective when deposited in the mail, properly addressed with postage prepaid with date as reflected on post office stamp. The written NOTICE OF CANCELLATION need not take any particular form, and, however expressed, it is effective if it shows that students no longer wish to be bound by students' ENROLLMENT AGREEMENT. Students will be given a 'NOTICE OF CANCELLATION' form when they enroll, but if a student chooses to cancel, the student can use any written notice that the student wishes. The notice of cancellation can also be downloaded on the school website

Student Drop/ Cancellation Policy

Students may be dropped by the School from a program for any of the following: unsatisfactory academic performance (below a "C") after given a probationary period; insufficient lesson responses, failure to complete program within the maximum timeframe allowed; medical excuse from physician; failure to adhere to Student Code of Conduct; failure to pay charges when due; breach of the school's ENROLLMENT AGREEMENT. Students may be readmitted to their program of study only upon approval of the Director.

Certification Disclosure:

PTHC students must understand that due to growing nationwide concerns regarding the suitability of today's healthcare professionals, many healthcare organizations providing healthcare services require disclosure of an individual's criminal history. In addition, many state statutes also require disclosure of an individual's criminal history in order to apply for certain health professional certificates, registrations, and licenses. Existence of a criminal history may subject an individual to denial of an initial application for a certificate, registration, or license to practice in a clinical setting or result in the revocation or suspension of an existing certificate, registration, or license.

Students who have completed less than 60% of the total instructional days of a Program will be entitled to a pro-rated refund based upon the Total Tuition Cost, divided by the number of class days the student attended, or was scheduled to attend prior to withdrawal. Other fees subtracted from the refund are \$250.00 for enrollment fee minus value of books, supplies, or equipment not returned in condition student received them in.

Students will be given a chance to fit in Scrubs before issuing them. Scrubs will not be accepted back once student has either them out of the facility or worn them in class.

To receive a refund all books and supplies should be received in PTHC administrative office within 5 business days from the official class cancellation date.

If PTHC has collected money from a student for transmittal on the student's behalf to a third party for a bond, library/resource usage, or fees for a license, application, or examination and the institution has not paid the money to the third party at the time of the student's withdrawal or

cancellation, PTHC shall refund the money to the student within 45 days of the student's withdrawal or cancellation. However, if PTHC has already submitted that money to a third party, the student will not receive a refund of that money.

PTHC shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled. For purposes of this subdivision and section 94919(d) of the Code, "day" means calendar day.

An Example of a refund calculation:

Nurse Assistant Training Program (NATP) = \$1,850.00 (16 instructional days). There will be no tuition refund if student withdraws after the 60% of the scheduled days.

Assuming a student paid \$1,850.00 for Nurse Assistant Training Program (NATP). Student withdraws from the program on the 4th meeting day, the student is entitled to receive the following refund as explained below and assuming live scan and test fee has been forwarded to third party:

Days remaining in Program after withdrawal: 12

Total Program Cost of 1850.00 minus 27.50-7.50-105.00-70.00, with a balance of 1640.00

Daily Cost of Class Attendance: Equals the Tuition Cost, divided by the number of scheduled class meeting days: \$1,640.00/16 = \$102.50/day

Daily Cost of Class Attendance multiplied by the Days remaining in Program: 12 x 102.50 = \$1,230.00

\$1,230.000 minus Nonrefundable \$250.00 minus \$130.00 for skills lab = \$850.00 to be refunded to student.

STUDENT'S RIGHT TO CANCEL:

Notice of Cancellation must be in writing and signed and dated by the student or legal guardian. Withdrawal from the Program may be effectuated by the student's or guardian's written notice or by student's conduct, including but not limited to, a student's attendance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Cancellation of Enrollment Prior to Starting the Program:

You may cancel enrollment for any reason prior to the start of the program. Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

Cancellation of Enrollment after Starting the Program:

Students who cancel enrollment or withdraw from a program shall be entitled to a prorated refund as defined by the Refund Policy below. Students who have completed more than 60 percent of the program will not be eligible for any refund.

***Students will be responsible for any charges the College has paid on their behalf for the above stated Program including: Live-Scan Fingerprinting, student textbooks/student learning materials/handbooks/syllabi, uniforms/scrub sets, medical kit, CPR/First Aide training.

Date of Determination: For the purposes of determining the amount the student owes for the time attended, the student shall be deemed to have withdrawn from the program when any of the following occurs:

- Notify the College of withdrawal or the actual date of withdrawal; or
- The College terminates the enrollment; or
- Student fails to attend any classes for ten (10) consecutive scheduled class days, excluding College holidays.

PTHC will acknowledge the Last day of Attendance as the last day a student had academically related activity, which may include projects, clinical experience, or examinations.

School Closure: If the school closes subsequent to a student's enrollment and before instruction in the course has begun, the school shall at its option:

Provide a full refund of all money paid; or Provide for completion of the course at schools in the neighborhood.

Note: Academic transcripts or proof of completion will not be released until tuition charges are paid in full.

STUDENT SERVICES/RESOURCE ROOM

(5, CCR §71810(b) (12))

35

Student Orientation to PTHC

PTHC provides a mandatory orientation for new students before the starting of a program. The orientation entails an introduction to college personnel, facilities and amenities, code of conduct with an emphasis on PTHC policies and procedures, and any other questions the prospective student might have.

Library

12 Currently available resources have been supplemented with additional materials acquired to ensure the Library resources meet the learning and teaching needs of the school. Those students who wish to checkout a book can do so with the receptionist in the PTHC Administrative Office. Students have access to computers within Library hours.

PTHC Library Use Policy

1. You must be a PTHC current student or employee to use these Library Resources.
2. You cannot share the user name or password with anybody else.
3. You may access the online Library on any computer/ smartphone or come to any PTHC campus.
 - a. Corona Campus:
Monday & Tuesday 10am-2pm
Wednesday & Thursday 2pm-5pm
Friday 10am-2pm
Person of contact: Stephen Musee (951) 734-1601
 - b. Moreno Valley Campus
Monday & Tuesday 2pm-5pm
Wednesday & Thursday 10am-2pm

Person of contact: Juliana Kimithi (951) 734-1601
4. You cannot print or distribute the information without consent. Remember the California Copy Right Laws.

Additional materials available for check out include Textbooks, Study Guides, and Gait belts, and Anti-Embolic Stockings. (5, CCR §71810(b) (12))

Tutoring

PTHC offers tutorial assistance to students based on need and at agreed times.

This tutoring generally falls into three categories:

Students who need assistance to maintain satisfactory academic progress.

Students who need assistance with an element in the training program.

Students who desire to obtain training, which exceeds the training curriculum in order to prepare for some higher-level goal.

Student Advisement

PTHC does provide academic advisement if deemed necessary. PTHC does not provide other personal counseling. In those cases where students may require services not provided by PTHC, the student will be referred to general local services in their area. Students are encouraged to maintain their own healthcare insurance.

Housing

37

PTHC is nonresidential. PTHC does not have dormitories at either campus and does not offer housing arrangement services for its students. It is suggested that students utilize local Internet/newspaper/publication advertising, private advertising, rental agents/agencies or rental companies.

Nearby residential living may include room or apartment rental or private housing rental with costs varying \$550 upwards per month. In addition, Corona and Moreno Valley offers abundant motel and hotel accommodations. PTHC does not have any responsibility to assist a student in finding housing.

(5, CCR §71810 (b) (13) (A)(B)(C))

Transportation

PTHC employees, including instructors, does not provide students with transportation. PTHC does not make arrangements regarding student’s transportation. However, there is public transportation which could be used by students to commute to both campuses.

Job Placement Assistance

36 PTHC does participate with job placement by providing job leads. However, PHTC does not guarantee job placement. (CEC §94909(a) (13))

Disabilities Policy

PTHC provides reasonable accommodation to qualified students with disabilities who meet PTHC admission requirements. To qualify for the reasonable accommodations, students are responsible for requesting accommodation as well as providing PTHC Program Director with documentation to the nature and extent of their disability. The accommodation might be denied if the disability is deemed to affect the benefit of the education.

ACADEMIC POLICIES

Satisfactory Academic Progress (SAP)

Every student must maintain satisfactory academic progress to remain enrolled at the college
Each student is evaluated for compliance with the Satisfactory Academic Progress (SAP) standard at the end of every course or module. SAP standards are the same for every student at the College, regardless of the payment method.
Qualitative Measure (GPA)

A student must maintain a weighted cumulative GPA of at least 2.0 for all required courses/modules in their program of study. The GPA will be based on evaluations from written examinations, assignments and projects. Additionally, a student may not earn an overall grade lower than a C in any required course.

Quantitative Measure (Pace)

A student must complete his program of study within attempting 150% of the published course hours for the program of study.

30
Grading System (Qualitative Assessment)

Grade	Number Grade	Definition	Quality Points
A	90-100%	Excellent	4.0
B	80-89%	Good	3.0
C	70-79%	Satisfactory	2.0
F	0-69%	Non-Satisfactory	0.0
Pass/Fail/Incomplete/Withdrawal			
P	Pass	Course assigned as pass or fail evaluation	Not calculated
F	Fail	Course assigned as pass or fail evaluation	Not calculated
I	Incomplete	Incomplete	Not calculated
W	Withdrawal	Withdrawal	Not calculated

Calculation of Grade Point Average.

- A student’s Grade Point Average (GPA) calculation method:
1. Multiple credits for each course by grade points associated with the grade earned
 2. Totaling the grade points earned for all courses
 3. Divide total grade points earned by the total number of quality credit
 4. The College uses a 4.0 scale in assigning grade points.

Incomplete Grades (I)

At the end of a module or course, student's failure to complete the required class work, clinical hours, assignments and/or tests will result in an incomplete grade. A student with an Incomplete work will not earn a final grade. For a student to remove an incomplete from their record, the student must decide with the Program Director to repeat an examination or training module. At successful completion of the module the incomplete will be replaced with the grade earned. If the module or course for which the "I" grade was given is a prerequisite, the student will be dropped from the subsequent module or course.

Withdrawal grades(W)

Grades are awarded at the end of each module and so are Withdrawal Grades. A student who withdraws after attending any portion of a module will receive a grade of "W" on their transcript. Withdrawal credits are counted as attempted, but not earned and will be included in the calculation of the final grade and recorded in the student files.

Repeated & Remedial Modules or Courses

Students who earns a grade lower than "C" in any course or module is considered to have failed that course or module and is required to repeat it. The grade received during the repeat is used to calculate the cumulative GPA. If repeating the course or module is required, the length of the program must not exceed 150% of the projected program length. A student may repeat a failed course or module only once. The ability to repeat a course or module is on a "seat availability" basis.

Clinical Evaluation

Evaluated as a Pass or fail. Follows set guidelines discussed in during theory.

32 Academic & Conduct Dismissal

Dismissal is defined as the condition wherein the student is formally expelled from PTHC pertaining to the student's academic performance or any other unacceptable behaviors relating, but not limited to, the Student Conduct Code. The procedure is as follows: PTHC will inform the student of his/her being on Probation for a specified period.

1. If, at the end of the probationary period, the student has shown no improvement or progress, the school may proceed to expulsion process.
2. At the end of the first or any additional probationary periods of time, a thorough academic and/or behavioral evaluation will take place. If the conclusions from the evaluation determine that substandard academic/behavior performance continues, the student will be separated from PTHC.
3. At the time of dismissal, the student will be notified through writing of the student's status.

4. Academic Probation

§94909(a)(8)(C)

A student will face a 7-day Academic Probation from the following:

1. Attendance below 80%
2. A cumulative GPA below 2.0
3. Three consecutive unexcused absences
4. Failure to comply with school/program policies.

Removal of Academic Probation

1. A student will have the Academic Probation removed for the following:
2. Attendance for a 10-day period meeting the required 80% attendance
3. Maintaining an equal or greater than 2.0 GPA for a 7-day period
4. Showing overall academic or behavioral improvement, which do the instructor and the Program Director determine

Re-entrance after Termination

A student wishing to re-enter after termination must petition to the Program Director for re- admittance and must demonstrate that the conditions leading to termination have been resolved.

Transfer Grades and Proficiency Credit

PTHC does not accept transfer credits or give proficiency credits.

Make-up Work

The student is responsible to initiate the procedure to make-up all classroom/lab assignments missed for whatever reason. Students must plan with the program director or instructor to make up all assignments missed. Assignments missed due to instructor or school responsibility are the only exception to this rule.

Program Completion Time Frame

The maximum time frame to complete a program will not exceed 150% of the normal program length, in which the educational objective must be successfully completed (e.g. number of years, months, weeks, terms or modules to be completed). Students who fail to fulfil this requirement will be obligated to repeat the entire program with more financial obligations to cover for the repeated portion of the program.

The minimum requirement for each of these categories must be met for a student to receive a Satisfactory Progress Report.

Student Appeal Process

PTHC Students have a right to appeal actions, policies decisions enforced by the institution. In most cases, a complaint can be resolved at the College level.

Grades and Attendance Appeal:

1. Student disputing a grade is required to communicate with the instructor within not more than 10 business days of the last scheduled class day.
2. The student must provide evidence substantiating the request.
3. The instructor will review, decide, and communicate the decision within 10 business days after receiving the appeal.
4. If not resolved, the student may appeal the instructor's decision in a written form to the Program Director within 10 business days of the instructor's decision.
5. The Program Director will review, meet with the instructor/student and decide, and communicate decision to the within 10 business days.
6. The decision of the Program Director is final.

Appeal on Policies and Decisions

1. Student with the concern should must appeal in writing within 10 business days of the decision and submit documentation to the College Administrator with evidence substantiating the appeal.
2. The College Administrator will review, decide, and communicate the decision within 10 business days after receiving the appeal.
3. If not resolved, the student may appeal the College Administrator's decision in a written form to the College President within 10 business days of the College Director's decision.
4. The College President will review, meet with the College Administrator or/student and decide, and communicate decision to the student within 10 business days.
5. The decision of the College President is final.

(5, CCR §71810(b)(8))

Class Size

To provide effective learning, PTHC tries to maintain small class sizes.

- Maximum number of students in clinical rotation under one instructor is equal to or less than 15.
- Maximum number of students for theory under one instructor is equal to or less than 32.

Attendance & Tardy Policy

31 Students are required to attend all classes as scheduled. A minimum of 80% is required for completion. Some programs, per state issuing guidelines, requires 100% attendance. This will be communicated prior to signing an enrollment agreement. If a student misses three (3) consecutive days, unexcused, the student will be advised. If there is no improvement, then the Program Director may suspend or dismiss the student. Re-admittance will occur only when the conditions causing the reprimand or suspension have been resolved. A student that comes to class more than five minutes late is considered tardy. Four (4) times coming late to class is equal to one (1DAY) absence.

Missed classes

All theory, lab and clinical absences must be made up.

Students will be financially responsible for payment of instructor for one-on-one teaching for any unexcused missed day.

The College shall charge the student \$25 per instructional hour for each hour of unexcused missed theory, lab, or clinical time. Example: the student missed an eight (8) hour clinical day; therefore, the student will require eight hours of for the missed day; the student will be responsible for owing to the College a total of \$200 for the instructional time. Absence resulting from student job commitment is not an excused absence unless the arrangements were made during enrollment time.

$$\underline{\$25 \times 8 \text{ hrs.} = \$200}$$

§94909(a)(8)(D)

Leave of Absence Policy

33 A Leave of Absence (LOA) may be granted in the circumstances of a documented emergency. Students are responsible for informing the institute in writing for a Leave of Absence. A Leave of Absence may be granted for up to 180 days during any 12-month period. If a student fails to return at the agreed upon time after the LOA, the student will be considered to have withdrawn from PTHC. The PTHC policy is that a student has 150% of the clock hours scheduled for each program to complete that program.

§94909(a)(8)(E)

§94909(a)(8)(E)

Complaints-Non grade related

34

PTHC is committed to student learning. Issues may arise that provide the need for a grievance procedure.

The institution has developed and implemented the following Complaint procedure, which includes the Student Complaint Designee, identified in this catalogue. A student may lodge a complaint by communicating orally or in writing to any teacher, administrator, or admissions personnel. The recipient of the complaint is required to transmit the complaint as soon as possible to the student complaint designee or shall attempt to resolve a complaint if it is related to that person’s duties. If a student orally delivers the complaint and the complaint is not resolved either within a reasonable period of time or before the student files a second complaint, the student complaint designee, in the name of the institution, shall advise the student that a complaint must be submitted in writing and shall provide the student with a written summary of the institution’s complaint policy. If a student complains in writing, the student complaint designee, in the name of the institution, must provide the student with a written response, including a summary of the investigation. If the complaint is rejected as a result of the investigation, the student must be informed in writing of that disposition and the reasons for the rejection.

The student’s participation in the complaint procedure and the institution’s disposition does not limit or waive any of the student’s rights or remedies. A student may not orally or in writing waive any of the rights provided in the California Private Postsecondary Education Act of 2009 or those provided in the California Code of Regulations. The institution has identified the persons listed below as the Student Complaint Designee to receive and resolve student complaint.

Corona Campus

Printed Name/Title: Mr. Stephen Musee, CEO/President
Mailing Address: 90 W. Grand Blvd Suite 107
Corona, CA 92882
School Telephone: (951) 734-1601
Fax: (951) 734-1602

Moreno Valley, CA 92553
School Telephone: (951) 656-4400
Fax: (951) 656-4402

The designee will be regularly accessible for reasonable periods of time before or after class sessions and during the range of time in which student are scheduled to attend the institution. The designee will have the duty and authority to do all of the following:

1. Investigate Complaint, including interviewing all people and reviewing all documents that relate or may potentially be related to the complaint.
2. Reject the complaint if after investigation it is determined that the complaint is unfounded. In addition, the designee may compromise or resolve the complaint in any reasonable manner, including the payment of arefund.

If the complaint is found to be valid, involves a violation of law, and is not resolved within 30 days after it was first made by the student, the designee must notify the Bureau and any other applicable and law enforcement authorities of the complaint, investigation, and resolution. A person who has a duty to provide notice under this paragraph is not required to disclose any matter to the extent of that person's privilege under Section 940 of the Evidence Code. If the authorized person does not provide all the information required by this paragraph because of a claim of privilege under Section 940 of the Evidence Code, the institution must appoint another person, who may not lawfully claim that privilege, to provide the omitted information. If the complaint is valid the institution is required to do the following:

1. Determine if any other students may have been affected by the same or similar circumstances and provide an appropriate remedy for those students.
2. Implement reasonable policies or procedures to avoid similar complaints in the future.
3. Communicate directly to any person in control regarding complaints, their investigation, and resolution or lack of resolution of the complaint (see C.C.R. 73740).
4. Record a summary of the complaint, its disposition, and the reasons for the disposition. A copy of the summary with related document will be placed in the student's file.
5. An appropriate entry will be made in the Student Complaint Log (C.C.R. 73870).
6. A person designated with the duty and authority to resolve complaint under this section cannot be terminated from employment or suffer any diminution in compensation as a result of the appropriate and good faith discharge of duties under this section.

If the complaint is rejected, the institution will notify the student in writing. The student may choose to notify the Bureau, any applicable accreditation association, and law enforcement authorities of the complaint, investigation, and resolution or lack of resolution at any time during this process.

(5, CCR §71810(b) (14))

PROGRAM OF INSTRUCTION

20 (CEC §94909(a)(5))

This program is offered at both facilities.

<i>Students will receive a certificate at the satisfactory completion of this Certificate Program.</i>		
Program Name:	Credential Awarded	Method of Delivery
Nurse Assistant Training	Certificate	Residential
Patient Care Technician	Certificate	Residential

Preceptorship/Clinical rotation Requirements

Applicants accepted into the programs that require clinical experience with direct patient care:

The Nurse Assistant Training Program will require Health and Physical Examination with clearance from communicable diseases, infections, physical, psychological disorders before the student comes into direct contact with patients. The health examination and clearance must be done by a licensed physician, physician assistant or nurse practitioner and must be submitted to the prior to patient contact:

Courses regulated by California Department of Public Health with a direct patient care clinical component will also require disclosure of any convictions of any crimes other than minor traffic violations plus a Live-scan done before direct patient contact. This will be communicated before signing the enrollment agreement.

Graduation Requirements

To be eligible for graduation a student must complete all of the required courses with a minimum GPA of 2.0 and a minimum of 70% attendance. (If externship is a requirement for your program, all externship hours and original documentation must be submitted to the office.) Some courses will require 100% attendance per licensing body requirement. In addition, all financial obligations must be fulfilled prior to graduation. After completing all of the above requirements, the student will be awarded the appropriate certificate.

Transcripts

Transcript requests must be made in writing or in person in the office of the campus the student attended. If a student has an outstanding financial balance with the institution, official or unofficial transcripts will not be issued. Arrangements to offset the balance must be made with the administrative office prior to requesting the transcripts. Transcripts will take a minimum of 5 business days to be ready.

Nurse Assistant Program (NATP)

Program Title: Nursing Assistant Training Program

Program delivery method: Residential

Program Clock Hours: Minimum of 160 clock hours. PTHC does not award credit hours for this course.

Program Time period: Weekdays (Full Time): 4 Weeks

Weekends (Part Time): 8 Weekends

Program Goal: The Program is designed to provide the student with the knowledge and skills necessary to perform basic patient care under the supervision of a Registered nurse or licensed vocational nurse healthcare setting This program is designed to meet the curriculum requirements of the California Department of Public Health (CDPH). The program requires the student to complete 60 hours of classroom lecture and perform 100-hour clinicals in a skilled nursing clinical facility providing basic care to residents. The care provided includes grooming, toileting, transfers, feeding and other basic patient skills as discussed during the theory portion of the program. Upon successful completion of the program, the student is eligible to take the CDPH Nurse Assistant competency written and skills examination for State certification as a certified nursing assistant.

Objectives of the program are to:

1. Prepare a competent, nurse assistant to function effectively in acute, long-term care, and ambulatory health care settings.
2. Provide a collaborative learning environment in which the student will develop and apply principles of systematic reasoning through critical thinking.
3. Guide the learner in the continuing process of personal and professional growth.

Expected Outcomes:

At the completion of the program, the student will be able to:

1. Function in the delivery of basic care to patients in a variety of settings such as hospitals, healthcare clinics and home settings
2. Communicate effectively with clients, client families, and members of the healthcare team.
3. Perform nursing skills applying critical thinking.
4. Integrate ethical, professional, legal responsibility, and accountability into decisions actions.
5. Assume responsibility for personal and professional growth.
6. Sit for the State certification board exam.

Program Description: The PTHC NA program consists of 16 Modules covered in a total of 160 hours consisting of 55 hours of theory, 2 hours of skills lab and 100 hours of clinical skills in a skilled nursing facility. Each of the 16 Modules is comprised of content which builds upon each other.

Theory and Skills lab are completed prior to joining clinical Externship. The Program Starts with Module 1 and progresses sequentially through Module 16 over a period of 6 days. Upon successful Completion of the theory portion, which entails a minimum score of 70 % in each module examination (grade C=2.0 points) students advance to the clinical site.

Successful Completion of Theory and Skills lab is a prerequisite to advancing to clinical externship. Clinicals are scheduled to be completed within 10 days. To successfully complete the clinical portion, students must get an S (satisfactory) in all areas of clinical skills performance.

Module 1: Introduction: Hours: Theory 2, Clinical 0

This Module is designed to introduce the NA student to California Code of Regulations, Division 5, Title 22, which regulates health care facilities. Students are to learn the roles and responsibilities of the Nurse Assistant, including requirements for Nurse Assistant certification, professionalism, ethics, and confidentiality.

Module 4: Prevention and Management of Catastrophe and Unusual Occurrences Hours: Theory 1, Clinical 1 The purpose of this module is to introduce the student to the concepts and procedures related to the resident's safety including

environmental emergency issues. They learn Nurse Assistant's role in creating a safe environment for the resident is discussed.

Module 5: Body Mechanics: Hours: Theory 2, Clinical 4

This Module is designed introduce the student to the concepts and procedures related to the resident's safety including environmental emergency issues. The Nurse Assistant role in creating a safe environment for the resident is discussed.

Module 6: Medical and Surgical Asepsis. Hours: Theory 2, Clinical 8

This Module is designed to present information about asepsis and the control of infection. Procedures and precautions to protect residents, health care workers and others from infection are presented, including standard precautions, transmission-based precautions and biohazardous waste management. Students learn how to use PPE; gloves, gowns and masks.

Module 7: Weights and Measurements: Hours: Theory 1, Clinical 1

This Module is designed to introduce a measuring system for weight, length, and volume used by nursing assistant in the clinical setting. Students learn how to weigh, measure height. Intake and output are part of leaning in this module.

Module 8: Patient Care Skills: Hours: Theory 14, Clinical 42

This Module is designed to teach students the skills needed to support and/or assist the resident in maintaining personal hygiene, performing activities of daily living, and elimination. The students learn the NA role of assisting patients in areas of the activities they cannot accomplish independently. Use of prosthetics and bladder training are part of the learning process in this module.

Module 9: Patient Care Procedures; Hours: Theory 7, Clinical 18

This Module is designed to provide learning experiences that will prepare the Nurse Assistant to safely carry out procedures that support the resident in meeting physical care needs that cannot be performed □

Module 10: Vital Signs: Hours: Theory 3, Clinical 8

This Module is designed to prepare students to know how, when and why vital signs are taken and how to report and chart these procedures. Students learn the correct procedures for measuring temperature, pulse, respirations, and blood pressure. They learn ways to recognize and report normal and abnormal findings, urgent versus non-emergent vital signs reporting.

Module 11: Nutrition Total Hours: Hours: Theory 2, Clinical 8

This Module is designed to examine the body's need for food and the effect of food on the body. This module includes the basic food groups, nutrients, and common therapeutic diets, as well as ways to assist a resident to meet nutrition and hydration needs

Fees

PTHC Fees: PTHC reserves the right to change any and all fees at any time. Should a fee change occur, the new course fees would be posted thirty (30) days prior to going into effect. Fee change will not apply to students who have started their program. In case PTHC reduces fee, for example, as a promotional discount, the new course fee will not apply to students who have already started the program.

Third Party Fees: Fees set by third parties, for example, testing fees made to testing bodies could change at any time. The information of change of fees by third parties will be communicated to the student's within the soonest possible time.

24 Student Tuition Recovery Fund:

California Private Postsecondary Act of 2009 and Division 7.5 of Title 5 of the California Code of regulations. 5, CCR §76215(a)(b)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7 589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

- 1.The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
- 2.You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120-day period before the program was discontinued.
- 3.You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
- 4.The institution has been ordered to pay a refund by the Bureau but has failed to do so.
- 5.The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
- 6.You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
- 7.You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four(4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

PTHC Grants:

You may qualify for grants which might be used towards your final portion of your total tuition fee. Grant is given by PTHC to a max of \$500, and are non-refundable.

The following guidelines will be used to determine grant approval

1. Completion of a grant Application form
2. Meet PTHC minimum admission requirement guidelines
3. Student must be paying the school directly or through a private loan
4. Through a financial plan, show how payments are to be made to meet specific course deadlines
5. Student making less than \$50,000 per year will be considered
6. Evidence through interview that the student does not have enough financial resources to cover payments
7. Hold a conference with a PTHC admission representative
8. As a student or a payee (including 3rd Party payees), you are encouraged to call the school in case of any questions regarding awarding of PTHC grants.

Payments done prior to course have no convenience fee but it will be added after 2 payments that occur after the program starts. It is encouraged to finalize financial obligations before the program so there are no interruptions. If the students fall behind on payments, student has agreed that he/she will discontinue class until payments become current.

Financial Options
 (5, CCR §71810(b)(6))

29 PTHC does not offer financial assistance. However, some students may qualify for PTHC grants which are not-refundable.

27 PTHC does not participate in federal/government related financing agencies. All students will either chose to pay privately. Note that some may qualify for state assistance or other third-party organizations. Students which are funded by third parties may not qualify for PTHC grants. (CEC §94909(a) (10))

County Financial Assistance:

NOW ACCEPTING WIA and ETPL assistance. PTHC does not participate in Title IV Funding. Call and set an appointment for further details!

28 If a student obtains a loan to pay for an educational program, the student will have to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student receives federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal financial aid funds. (CEC §94909(a) (11))

PTHC does not offer financial aid. The payment plan will be set to be cleared and paid off before clinicals is started.

Program Start and End Dates

These dates are tentative and are subject to change. The dates are specific to the course student intends to take. These dates will be indicated on the enrollment agreement form.
